

21 *Days* OF PRAYER

Firmly **ROOTED**

Over the next **21 days**, we will deepen our roots in God's presence through prayer. Just as healthy roots anchor and nourish a tree, time with God strengthens our faith and produces lasting growth.

As we seek Him first, we believe He will establish us firmly in His truth and prepare us for all He has ahead. Over these next 21 days, may prayer become your foundation, and may you experience the strength, peace, and transformation that come from being deeply rooted in Christ.

Week 01

ROOTED *in Jesus*

Being truly rooted does not begin with disciplines or programs. It begins with a person: *Jesus*.

This week we explore what it means to walk with Him in a real, daily, and transformative way.

Week 02

ROOTED *in The Church*

No one grows well in isolation.

This week we look at the church not as a religious obligation but as God's gift so that no one has to walk alone: a living body where love, service, and transparency shape people who remain.

Week 03

ROOTED *in Purpose*

When we are rooted in Jesus and in His church, purpose is not something we pursue with anxiety, but something that flows naturally.

This week connects rootedness with calling, generosity, discipleship, and impact on the world.
